Direct Contribution Enrollment Form

ACH Transfer

What is Direct Contribution?

Direct Contribution is an efficient electronic payment alternative to paper checks. Direct Contribution is easier for you – instead of writing and mailing a paper check each month, your bank will automatically make the payment for you. It's that simple. Moreover, it reduces our administrative workload, which enables us to serve the ministerial and educational concerns of our parish family.

When you enroll in our Direct Contribution Plan, each month your contribution will be electronically transferred from your checking or savings account on or about the 26th day of each month, beginning in the month of _____. A record of your contribution will appear on your bank statement. After you join, you may increase, decrease or suspend your participation in our Direct Contribution program by simply contacting the Parish Office at (623) 566-8222.

How Do I Enroll?

To enroll in the Direct Contribution Plan, simply complete and return the following enrollment form by placing it in the collection basket or mailing it to the parish office.
