

Water Safety Tips

- **Learn to swim.**
- **Learn CPR - Post CPR rules by the pool.**
- **Set water safety rules-post rules by your pool.**
- **Have a phone by the pool so you can call 9-1-1 if needed.**
- **Always keep basic lifesaving equipment by the pool and know how to use it.**
- **Enclose pools with a self-locking, self-closing fence with vertical bars. Openings no more than 4 inches wide. The house should not be part of the barrier. Be very careful of doggie doors - kids go through them easily.**
- **Keep the pool clean.**
- **Keep toys away from the pool when it is not in use.**
- **No furniture near a pool fence - kids can climb.**
- **Always have an adult assigned to watch children.**
- **Use a feet-first entry when entering water.**
- **Do not mix alcohol with swimming, diving or boating.**
- **Never leave a child unattended around any water (bathtub, pool, buckets, etc).**
- **If a child is missing, check the pool first.**
