Subject: Sweet Grace

Dear Members of the Saint Thomas More Catholic Community,

In every culture, sweets and baked goods are a sign of Christmas. Favorite family recipes from our pantry and specialty treats from our grocery stores find their way into our homes.

The desserts in our home can feel like an excess, but one that most of us calculate that the extra calories are worth the indulgence.

When someone doesn't have access to a home or a kitchen. Or when they are living in a shelter or on the street, the hallmarks of Christmas are no less missed. Even more than the caloric value, there is something special about a Christmas cookie, a piece of pie or a taste of cake.

With deep gratitude, Andre House expresses the joy that we have by serving deserts at Christmas that are provided by the wonderful people of St. Thomas More Parish.

You not only fill our refrigerator to its roof, and our guests tummies with delicious tastes, but you also fill our hearts with the privilege of passing on your love and generosity to the men and women who appreciate any and every sign that they are special at Christmas time. Thank you for being a sign of God's love to the guests of Andre House. We pray in thanksgiving for your kindnesses and also that you experience a large measure of the joys you have shared.

Peace,
Fr. Tom

Restore Dignity

"Providing survivors of traumatic events support and tools to heal and understand the fullness of dignity they possess in Christ in which each person was created."

Rev. James Turner

Dear Fr. Jim,

We are so very grateful for the generous donation of \$3,900 from St. Thomas More Parish to Restore Dignity for our Grief to Grace Healing Retreats. While respecting the confidentiality of the retreatants, we are happy to share with you that St. Thomas More parishioners are beneficiaries of your gift.

As you are surely aware, the magnitude of need for healing and reconciliation for individuals and families affected by abuse can be daunting. This "Year of Mercy" is a great encouragement to us that the healing work of Restore Dignity and the Grief to Grace Retreats is not only deeply needed, but will bear great fruit by restoring Faith and Hope for many souls.

Thank you for recognizing this need and committing your support.

Blessings,

Amy Corrieri

Dear Fr. Turner:

Your kindness gives hope to many individuals and families served at the Society of St. Vincent de Paul. Thank you from the heart for your gift of \$2,000.00, received on December 22, 2015, to benefit our dining rooms. We deeply appreciate your caring commitment to helping those in need.

Your generosity enables us to provide over one million hot meals in our dining rooms each year. Our Family Evening Meal provides nutritious meals to many children, who especially enjoy the nights when they are served a treat they don't often get at home, pizza. We created our children's activity center, the *Dream Center*, to feed young minds. It features a tutoring station, learning activities and a reading library. The children learn self-confidence by displaying their handiwork in the dining room for their families and friends to see. You make all this possible.

Please feel welcome to contact us at 602-261-6884 if we can assist you in any way. Visit our website at www.stvincentdepaul.net for more information about St. Vincent de Paul including our services, volunteering and current events.

Cordially yours,

Stephen J. Zabalski
Executive Director
